

# tour details

Our **tour starts on November 25<sup>th</sup>** with our flight to Hawaii. On arrival in Honolulu we will be transferred to the beautiful **Waikiki Beach Marriott Resort & Spa for two nights**, having an excellent location across from the World famous Waikiki Beach. Many reasonable restaurants & a variety of shopping opportunities are also steps away.

On **Saturday** we board the **'Pride of America'** to explore the main islands of Hawaii **for 7 nights** with the opportunity to see the Iao Valley, Lahaina and the Haleakala Crater in Maui, on the big Island of Hawaii we can visit the Hawaii Volcanoes National Park & the city of Hilo as well as the Kona Historical area including a Coffee Mill. On Kauai the Wailua River and Waimea Canyon is a must see as this is the site of Captain Cook's first landing & we can also explore a Sugar Plantation. **The Pride of America is the only cruise ship in the World that can sail from Honolulu return.**

This is the best and most economical way to see the islands. The best part is once you are on the ship you just have to unpack once and your **main dining room meals and entertainment on board ship are all included!**

Back in Oahu after our cruise we have included a **Pearl Harbor/Arizona Memorial and City Tour** before going back to the **Marriott-Waikiki Beach for another 3 nights**. There is so much to see and do in Waikiki you will make good use of this time. On our day of departure we have included another **tour** visiting the very beautiful **Diamond Head side of the island**. We'll have an overnight flight back to Canada.
