BRADLEY WALTERS JOURNEYS PRESENTS
A NEW YEAR GETAWAY...

Cruising a Magical Continent **SOUTH AMERICA**

Argentina to Chile
Aboard Celebrity Cruise Lines Infinity

South America is currently one of the World's top travel destinations. A cruise is a wonderful way to experience this amazing country. Celebrity Cruise Lines will pamper you aboard the 91,000 ton Infinity. The staff will treat you like family. Dressed in polished marble, warm woods and etched glass, Celebrity Infinity consistently makes a long-lasting, luxurious impression.

You'll visit Argentina, Uruguay, The Falkland Islands and Chile on this 14 night cruise. You can purchase excursions that interest you in each port and then share your experiences with fellow travel companions over a multi-course dinner on board ship. Enjoy relaxing time in the on board spa and soak up some sun on deck while keeping your eyes open for wildlife sightings.

I am thrilled that my friends Larry and Debb Gravill are co-hosting this journey. Larry recently retired from 15 years service as Police Chief of the Waterloo Region. Larry and Debb have wanted to travel to South America for a long time and they look forward to meeting and welcoming all of you onboard. We invite you to join us on this once in a lifetime journey.

JOURNEYS

tour itinerary

JANUARY 2 Welcome!

Enjoy dinner on board this evenings flight to the Birthplace of the Tango, Buenos Aires, Argentina!

JANUARY 3 Buenos Aires, Argentina

Check into our hotel for a one night stay. Relax prior to this evenings Welcome Dinner.

JANUARY 4 Buenos Aires, Argentina

Join your fellow travelers at breakfast. Today we will be met by a local travel expert who will guide us around this cosmopolitan city filled with opera houses, museums and cathedrals that rival any in Europe. Later this afternoon we board the beautiful Infinity. Unpack, enjoy dinner and be sure you are on deck for the 9 p.m. sail away celebration.

JANUARY 5 Montevideo, Uruguay

This walking city is a haven of open-air cafes and European-inspired squares. Don't miss the Museo de Gaucho, a fascinating look into the cowboy life, South American style. If you want a relaxing day at the beach Montevideo is surrounded by a continuous stretch of white sand.

JANUARY 6 At Sea

Explore the ship today.

JANUARY 7 Port Madryn, Argentina

This is one of Argentina's fastest growing cities. Beautiful beaches, sports and wildlife draw people here.

JANUARY 8 At Sea

Today may be a good day to work on your tan.

JANUARY 9 Port Stanley, Falkland Islands

Trout, whales, black-browed albatrosses, elephant seals, sea lions, and no fewer than five species of penguin consider the Falklands their bequeathed domain.

JANUARY 10 At Sea

Maybe a massage in the Spa or a guest lecture will interest you today.

JANUARY 11 Cape Horn, Chili – Cruising

Here you will find Horn Island, the southernmost point of the Americas. This is also the place where you will find the confluence of the mighty Pacific and Atlantic oceans. Wildlife is abundant and the onboard naturalist will be on hand to point out the highlights of this diverse ecosystem.

JANUARY 12 Ushuaia, Argentina

Surrounded on three sides by towering peaks, this was a formal penal colony location. Scientist Charles Darwin must have had a difficult time leaving this Eden during his travels through the area.

JANUARY 13 Punta Arenas, Chili

Punta Arenas is the southern most point on the contiguous South American continent. It overlooks the Strait of Magellan and Otaway Sound, home to colonies of sea lions and Magellanic Penguins. Its also one of the few places on earth where you can snow ski while overlooking out over an ocean!

JANUARY 14 Strait of Magelian – Cruising

This 360 mile strait isolates the Tierra del Fuego archipelago from the rest of the South American continent, and it's named after the explorer Ferdinand Magellan. You'll retrace his steps as you make the shortest crossing from Atlantic to Pacific between two land masses this side of the Panama Canal.

JANUARY 15 Chilean Fjords – Cruising

These are some of the most magnificent fjords in the World. As your eyes work their way up the jagged walls of mammoth glaciers, you may be rewarded with an Andean condor sighting. On the oceans surface, the penguins always put on a good show.

JANUARY 16 Puerto Montt, Chili

In this idyllic setting, surrounded by national parks, lakes and mountains, it's easy to understand why people come here to enjoy the outdoors South American style. Imagine sipping fine Chilean wine after a few hours of testing your skills on the bountiful trout waters in the area.

JANUARY 17 At Sea

Today we will have our farewell cocktail party on board. You can exchange email addresses with your newly made friends. Grab some last minute pictures of the ship and your fine dining room waiters as tomorrow we head for home.

JANUARY 18 Valparaiso, Chili

This town seems to precariously hang on precipitous cliffs, crisscrossed by narrow, twisting footpaths, stairways and a transit system of funicular cars called ascensores.

We journey to the airport, say goodbye to the staff on board the Infinity and look forward to returning home to share our adventures with our friends and family. Thank you for traveling with Bradley Walters Journeys.
