

# tour details

I invite you to join us on this exciting journey!

I have sailed more days on the Norwegian Sun than any other cruise ship. It is a comfortable size ship with a wonderful staff. The highlight of this cruise is our journey to Sawyer Glacier. The scenery coming into this Glacier is the most beautiful I have seen in Alaska.

We also visit the most popular Alaska ports of Ketchikan, Juneau and Skagway on this journey. Plus as an added bonus we fly you into Victoria and you get a day in Vancouver at the end of the cruise to explore before flying home.

I have had the opportunity to visit Alaska many times. With my experience I'll make this journey to Alaska one you will never forget.

Your host,

# tour itinerary

## Saturday, Aug 23

We have a guided tour of Victoria planned today and you'll enjoy an included lunch at the famous 50 acre Butchart Gardens.

## Sunday, Aug 24

A morning Ferry Ride will take us to Vancouver where we will board the 78,000-ton Norwegian Sun. Explore the ship and be sure to be on deck as we sail away from Vancouver as the city skyline from the water is a view you can't miss.

## Monday, Aug 25

We spend the day sailing the very scenic inside passage. Be sure to watch for whales and other wildlife.

## Tuesday, Aug 26

Today we visit Alaska's first city Ketchikan that is 3 miles wide and 3 miles long. You may want to visit Misty Fjord or attend the exciting Lumberjack Show

## Wednesday, Aug 27

What a wonderful day. We have a morning stop in Juneau. Whale watching is best here and the Mendenhall Glacier is worth a visit. We then depart for Sawyer Glacier. We travel for hours down a breathtaking Fjord and the Sawyer Glacier will greet us with all her beauty. On a sunny day Sawyer glitters and the thrill and noise of big chunks of ice falling from the glacier is something you will never forget!

## Thursday, Aug 28

Most people will want to ride on the White Pass Scenic Railway while we visit Skagway today. The all-you-can-eat Salmon Bakes are also popular here. They coat the Salmon with a brown sugar sauce that is delicious! I can almost taste it now. You'll have time to finish up your souvenir shopping. Surprisingly I find quality souvenirs in Alaska very reasonable.

## Friday, Aug 29

Today you have a relaxing day at sea so enjoy the ship. Maybe attend an information seminar so you can learn more about Alaska. Treat yourself and visit the spa!

## Saturday, Aug 30

The inside passage welcomes us once again. Be sure to spend time on deck enjoying this journey thorough this unspoiled region.

## Sunday, Aug 31

This morning we say good-bye to the hard working staff on the Norwegian Sun. We'll tour you around and give you some free time to enjoy Vancouver before our gala farewell dinner this evening.
