

TORONTO, ON – Gospel music favorite **BILL GAITHER** and his Homecoming Friends invite you to once again, ""Throw Your Heart Wide Open."" Get ready as the **GAITHER HOMECOMING ""GIVE IT AWAY"" TOUR 2008** continues its inspirational journey across North America with a stop at Air Canada Centre on Saturday, September 13, 2008.

Few events have had the ability to bring people together the way a Homecoming concert does. Year after year, the classic and timely Gospel sounds of the Gaither phenomenon entertain young and old alike.

Gaither fondly recalls, ""It actually started with an impromptu taping in a Nashville studio back in 1991,"" adding, ""The Gaither Vocal Band was wrapping up a recording session that included several legendary Southern Gospel music artists. After the session ended, the artists lingered and gathered around the piano, singing, swapping stories from the old days and sharing a few laughs and tears.""

More than a decade later, Gaither never envisioned that a recording session in 1991 would turn into such a music phenomenon. And, year after year, the Gaither Homecoming Tour has consistently ranked at the top of the list for most concerts tickets sold worldwide, in any music genre.

In the tour produced by AEG LIVE, audiences can look forward to an evening of music and celebration. Gaither explains, ""The 'Give It Away' Homecoming Tour is an opportunity for us to 'throw our hearts wide open' and share the things that are best enjoyed when we give them away, like faith, friendship and music.""

Gaither joins a cavalcade of singers, musicians and comedians, whose collective talents have been honored with countless awards, including Grammys, Doves, The NARAS President's Merit Award and most recently, multiple 2007 Dove Award nominations. In 2000, Bill and Gloria Gaither were presented with the first ever ""Songwriter of the Century"" award by ASCAP.
